San Carlos Ariz

Indians are broken up into small
bands cutting hay and farming.
It would therefore be a great
hardship to assemble them at this
season. Therefore the Census cannot
be taken at present —

The Hon September 30th 1889

The Commissioner of Ind Affairs

Washington D.C.

Sir-

I have the honor to enclose a
Census, of a portion of one of the
White Mountain bands of Indians,
who have been living near Fort Apache
on this reservation, but through feuds
existing between bands, which has resu-
=lted in several Indians being killed.
These Indians have been living in the
mountain, and have not done any
farming, and there have been various
complaints made by stock men, that
their horses have been stolen, and

Cattle killed, I have induced them to come to a point, on the Gila river, near this Agency, and have placed them on land under the charge of a farmer, for the purpose of having them do something toward self support, and at the same time keep them under observation, till the first of September. I issued them Ration Tickets, In this connection - Attention is respectfully invited to my letter dated January 19th 1889 -

Very respectfully

John L. Davis.
